# ABOUT THE COMPANY

Electrovision Engineering & Services (Pvt.) Limited is a solution provider specializing in Electrical, Mechanical, and Power System infrastructure, offering modern turnkey engineering solutions tailored for industrial and power system needs.

Many years of industry experience - Turnkey solutions for industrial, commercial, and energy projects - Expert team of engineers and project managers

# OUR MISSION

To deliver world-class mechanical and electrical contracting services through technical excellence, precision engineering, and a steadfast commitment to quality. We strive to provide reliable, efficient, and cost-effective solutions in boiler erection, power plant projects, and electrical installations, ensuring complete client satisfaction and long-term value.

# OUR VISION

To be recognized as a leading and preferred partner in the mechanical and electrical contracting industry, distinguished by our engineering expertise, uncompromising quality standards, and dedication to innovation, safety, and sustainable development in the energy and infrastructure sectors.

# CORE VALUES

## Excellence

Upholding the highest standards of engineering and execution

## Integrity

Conducting business with honesty, transparency, and accountability

## Commitment

Delivering projects on time without compromising quality or safety

## Innovation

Continuously improving through modern technologies and best practices

## Client Focus

Building lasting relationships through trust and performance

# HSE (HEALTH, SAFETY & ENVIRONMENT POLICY)

We are fully committed to achieving excellence in Health, Safety, and Environmental (HSE) performance across all our operations. Our objective is to ensure a safe, healthy, and environmentally responsible workplace for employees, clients, and stakeholders.

# WE AIM TO:

**01** Maintain a zero-incident workplace through proactive risk management

**02** Comply with all applicable local and international HSE regulations and standards

**03** Provide continuous training and awareness to promote a strong safety culture

**04** Identify, assess, and mitigate risks in all project phases

**05** Minimize environmental impact through responsible resource management and sustainable practices

**06** Encourage accountability and participation at all levels to uphold HSE excellence

# OUR PROJECTS

At Electrovision, our projects reflect our commitment to innovation, precision, and client satisfaction. We have successfully delivered a wide range of solutions across multiple industries, ensuring each project meets the highest standards of quality and performance.

## Gadoon Textile Mills

Heat Recovery Boiler At Gadoon Textile Mills Of Lucky Group

# Tata Energy Kotri

Mechanical Electrical Installation Of  
3 MW Power Plant

# Ayesha Textile Mills Ltd

Electrical Installation From Designing To  
Commissioning

# Toyota Hyderabad Motors

Installed 100 KW Solar Energy

# Lucky Group

Carried Out Erection Of 5 Mw Hrsg Stem Turbine  
At Gadoon Textile Project Of Lucky Group

# Byco Oil Refinery

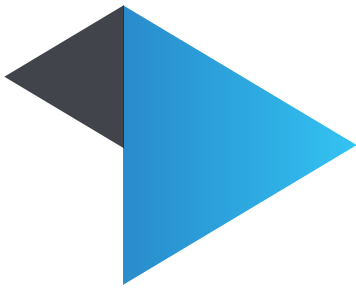

As Electrical Consultant

# Cheveron Lubricants USA

Carried Out Erection Of 6 Tone Duel Fire Boiler At  
Cheveron Lubricant Usa In Karachi

S.NO	Company Name	Project Details
01	Descon Engineering Limited	Electrical Mechanical installation of major projects
02	Tata Energy Kotri	3 MW Power Plant installation
03	Amin Textile Mills Kotri	Electrical installation from Designing to Commissioning
04	Surriya Textile Mills Kotri	Electrical installation from Designing to Commissioning
05	Shadman Textile Mills Kotri	Electrical Consultant
06	Haji Ismails Mills Kotri	Electrical Consultant
07	Ayesha Textile Mills Ltd Shaikhpura	Electrical installation from Designing to Commissioning
08	Amin Textile Mills Unit-2 Shaikhpura	Electrical installation
09	Ayesha Textile Mills Unit-2 Shaikhpura	Electrical installation
10	Uni-Col Distillery Plant	20 TPH Boiler Upgradation
11	Bashir Cotton Mills	Electrical installation
12	Fateh Group	Technical Director Electro-Mechanical
13	Fateh Spinning Mills	Operation General Manager

S.NO	Company Name	Project Details
14	Fateh Coal Mines	Technical Director
15	Barkat Power Limited	4 MW Power Plant installation
16	Barkat Weaving	Operation General Manager
17	Fateh Motors	Electrical Consultant
18	Fateh Textile Mills	Operation General Manager
19	Sapphire Textile Mills	3 MW Gas Generators & Steam Turbine
20	LIDEA Hub	60 MW Distribution License from NEPRA
21	Byco Refinery	50 TPH Boiler installation
22	Gadoon Power Project	5 MW Steam Turbine installation
23	Chevron Karachi	Boiler installation & PLC upgrade
24	Galaxy Power	11 KV Synchronization
25	Rafhan Maize	Maintenance Contract
26	HYTEX Energy	1.5 MW Coal Power Plant

S.NO	Company Name	Project Details
27	Rohri Cement	5 MW Gas Power Plant
28	Zealpak Cement	7 MW HFO Power Plant
29	Lucky Group Project	5 MW HRSG Steam Turbine
30	Byco Oil Refinery	Electrical Consultant
31	Chevron Lubricants USA	6 Ton Boiler Installation
32	Archroma	0.9 km Pipeline
33	Getron Polyester	20 TPH Boiler
34	NP Cotton Industries	2500 kW Design
35	Rafhan Maize Kotri	145 Ton Tank
36	Baber Farms	Installed 30 KW Solar on Tube Well
37	Toyota Hyderabad Motors	Installed 100 KW Solar Energy
38	Super Star Motors Multan	Installed 100 KW Solar Energy in pipeline
39	Uneeq Motors	Installed 300 KW Solar Energy in pipeline
